

All proceeds will go to
**KERNERSVILLE
ELEMENTARY SCHOOL**
and the
**DAVIE COUNTY SCHOOL
SYSTEM**

SCHOOL SUPPLY DRIVE

Help us give back to our communities this tax season!

We all know that the back to school season can be huge, and thankfully many parents and generous community members make a major effort to donate school supplies as the school year kicks off. Unfortunately, those supplies certainly can go quickly and are running low by the middle of the school year. This is why Joe Wright, CPA PLLC will be collecting donations for a school supply drive during tax season this year. The donations we collect will go directly to Kernersville Elementary School and the Davie County School System. All you need to do is drop your donation off in our donation box when you come in to either our Kernersville or Mocksville office to drop off your tax information. It's that easy! We will handle the rest and make sure the supplies are delivered to the appropriate schools. This is a cause that is very close to our hearts, and we hope it is close to yours too. Please call our office at (336) 759-0300 or email dwright@joewrightcpa.com with questions!
